JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

July 18, respectively, the first case has recovered ; the second is still under treatment, but in a fair way to recovery. . No new cases have been reported.

Nine vessels have been inspected and passed, granted pratique ; 3 vessels have been admitted without inspection, and 15 bills of health were issued to vessels leaving this port. July 24 the steamship *Comino* was disinfected prior to departure.

Casilda.—Acting Asst. Surg. Alejandro Cantero reports 6 deaths in the city of Trinidad during the week ; no contagious diseases ; 12 vessels inspected and passed, granted pratique, and no bills of health issued during the week.

Santa Cruz del Sur.—Acting Asst. Surg. Juan R. Xiques reports no deaths at that port during the week ; no contagious diseases ; 3 vessels were inspected and passed, granted pratique, and no bills of health issued vessels during the week.

Respectfully,

EDWARD F. NUNEZ,
Acting Assistant Surgeon, U. S. M. H. S.,
In Temporary Charge.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

Report from Casilda.

CIENFUEGOS, CUBA, *July 24, 1901.*

SIR : Through the chief quarantine officer for the island of Cuba, I have the honor to transmit the following report received, from the substation at Casilda, Acting Asst. Surg. Alejandro Cantero, for the week ended July 19, 1901, too late to be included in the weekly report from this station: Six deaths have occurred in the city of Trinidad during the week. No contagious diseases reported. Health of city and vicinity good. Nine vessels have been inspected and passed during the week.

Respectfully,

EDWARD F. NUNEZ,
Acting Assistant Surgeon, U. S. M. H. S.,
In Temporary Charge.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

Reports from Gibara.

GIBARA, CUBA, *July 13, 1901.*

SIR: Through the chief quarantine officer for the island of Cuba, I have the honor to inclose herewith the quarantine and abstract of bills of health reports for the week ended July 13, 1901. Fourteen vessels were inspected and passed on arrival and 16 bills of health issued vessels leaving the port. Three deaths occurred in the city during the week, the cause of the same being as follows: Athrepsia, 1 ; pernicious malarial fever, 1 ; rhachitis, 1. The health of the city and adjacent country continues good. No cases of quarantinable disease have been reported.

Respectfully,

S. GOMEZ,
Acting Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

GIBARA, CUBA, *July 25, 1901.*

SIR: Through the chief quarantine officer for the island of Cuba, I have the honor to inclose herewith the quarantine and abstract of bills

of health reports for the week ended July 20, 1901. Eleven vessels were inspected and passed on arrival and 8 bills of health issued vessels leaving the port. Three deaths occurred during the week. The causes of the same were as follows: Gastro-enteritis, 1; ophthalmia, 1; atrophy of the liver, 1. Sanitary conditions continue good.

Respectfully,

S. GOMEZ,

Acting Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,

U. S. Marine-Hospital Service.

Report from Havana—A case of yellow fever in Havana.

HAVANA, CUBA, July 27, 1901.

SIR: I have the honor to submit the following report of the transactions at this station for the week ended July 27, 1901:

During the week 3 cases of yellow fever, with no deaths, have been reported by the sanitary officer of the city. One of the cases originated in the city of Havana, while the remaining 2 received the infection at Santiago de las Vegas. During the month of July to date there have been 6 cases of yellow fever in Santiago de las Vegas, with no deaths.

On the 23d instant Acting Asst. Surg. Jose M. Campos reported from Batabano that a case of smallpox had occurred in that town. The patient, a woman who was born and had resided there all her life, was removed and isolated outside of the town and the premises she had occupied were disinfected.

One of the 2 cases of yellow fever reported last week from Cienfuegos has recovered and the other is now convalescent.

I inclose the usual mortuary and other statistics for the week.

Respectfully,

A. H. GLENNAN,

Surgeon, U. S. M. H. S.,

Chief Quarantine Officer for the Island of Cuba.

The SURGEON-GENERAL,

U. S. Marine-Hospital Service.
